(There is a map of deaths by hometown through October 26 at http://www.militarycity.com/2000casualties/kia_map.php.) Wounded by state estimated by assigning to each state the same proportion of wounded as their proportion of deaths. Deaths assigned to Congressional District if a substantial part of soldier's hometown is in the Congressional District. Split cities are marked with an asterisk in the list of deaths.

For Congressional appropriations, "The Cost of Iraq, Afghanistan and Enhanced Base Security Since 9/11," Amy Belasco, Congressional Research Service, October 7, 2005.
